Benefits of BSM Gold include:

1. Priority notification of new stock inductions via SMS and email
2. Priority option for automated re-purchase with sale proceeds and BSM acting as a buyer's agent
3. Feedlot and additional marketing options

BSM Gold provides overseas buyers with an option to authorise BSM Beef Pty Ltd to act as their resident agent. The overseas buyer must apply to the Australian Taxation Office (ATO) for an Australian Business Number (ABN) and gst registration. Following this, they will be able to buy and own cattle in Australia through BSM.

BSM Gold also has particular appeal for non-computer users.
